It's Not an April Fool's Joke Use Your Library Card at the Museum

March 29, 2010-Athens-Explore the history of the Cherokee, learn about the heroic mission of Charles Ware or see vintage toys. Wander galleries and marvel at your history. Journey backwards to a time when horse drawn carriages rolled down Jackson Street or step back just far enough to trace the growth and changes of McMinn County and the nation.

All of these adventures and much, much more are possible without even leaving Athens by checking out a Museum Adventure using your valid McMinn County library card. This is the first year that the McMinn County Living Heritage Museum has offered the Adventure Pass program where new adventures await you at a variety of exhibits.

History and culture brings past and present McMinn County to life – all of these and more are waiting for you at your McMinn County Living Heritage Museum. Just use your library card to go on your Museum Adventure and get free admission for two in 2010.
